ABOUT SILVERLINE

Silverline offers new generation kitchen products to millions of kitchens in more than 70 countries since 1994. As one of the world's leading built-in appliances brands, Silverline has 161 international awards in best quality, best product and best design. Silverline has been awarded with its many different products to the world's most prestigious awards such as Red-dot, Plus X, IF Design and the German Design Award. Developing innovative and environmentally friendly products with R & D investments, innovation and technology passion is the most important goal. Silverline has adopted as a mission to transform the kitchens into an attractive living space.
